ATC's 12V FLIP LIGHT is a unique combination of function and styling to accommodate countless applications.

This recessed 12 volt, 5 watt FLIP LIGHT meets all CSA and UL recreational vehicle requirements and is CSA and UL approved for use in automotive and recreational vehicles.

Features include:

- Can be used with or without a master switch.
- Can be used as a courtesy light in conjunction with a door operated switch.
- Can be activated by flipping the lens in either direction.

This low profile and compact design makes applications endless!
